Antitrust notice: It is the policy of the Polyurethane Foam Association to comply in all respects with federal and state anti-trust laws. This meeting will follow a formal, pre-approved agenda for the purpose of conducting the business of the Association. Accordingly, discussion of any matters relating to competition among our members or relating to practices that may restrain trade with third parties is not permitted. These prohibited subjects include prices, discounts, allocating territories or customers, boycotts or any other statements that may be construed as being anti-competitive.
